TRIALS:

Each trial for all three (3) futurities shall consist of not more than ten (10) horses. The trials shall be raced under the same conditions as the final. These horses shall be selected on a time basis. Times of horses in separate trials will be determined by the electric timer. In the event horses in the same trial race are given identical times, the selection of which horse will participate will be determined by order of finish posted by the racing officials. No adjustments will be made in recorded time of trials for head wind, tail wind, off track, or any other act of nature, etc. Should a mechanical failure occur with the electric timers on any time trial, finalists from that trial will then be selected by official hand timing, with stop watches operated by three (3) official, reputable and disinterested persons. If for any reason a tie exists, the horses involved shall draw lots to determine which shall participate in the final. Should a horse be disqualified, he will be given the time

of the horse he is immediately placed behind plus 1/1000 of one second. If the front gates on the starting gate fail to open due to mechanical failure, or if a horse is left behind the gate when the field is dispatched during the running of the trials, such horse shall be declared a nonstarter and all nominating, sustaining and entry fees shall be refunded from the purse to the owner of said horse. During the running of the final, such horse will be declared a nonstarter and shall be classified as a scratched horse and shall be paid last place purse money in said race. The decisions of the Stewards in all matters shall be final and entries are accepted only on the condition that those persons nominating, and/or starting a horse in the trials and/or final, agree to abide by the decision. If any part of an entry is disqualified, it may disqualify all of the entry. All rules or new rules adopted by the New Mexico State Racing Commission supersede any condition of these races. Ruidoso Downs Racing, Inc. reserves the right to hold trials for these races on a non-race day.

Ruidoso Downs Racing, Inc., subject to approval of the New Mexico State Racing Commission, reserves the right to change the date of the running of the trials and final, or to transfer these races to any track within the State of New Mexico. Ruidoso Downs Racing, Inc., reserves the right to cancel these races without notice, at any time prior to the actual running thereof, without liability, except for the return of the nominating and sustaining fees which have been paid.
